

School Council Meeting

Wednesday 20th April

Action Points

Article 24- we have the right to safe water to drink, nutritious food, a clean safe environment and information to help us stay well.

Please discuss in class how we can encourage people to remember to bring their water bottles and to wear caps and sunscreen on hot days. Please also think about how we could share this message with our parents.

Please also discuss packed lunches, and what a healthy packed lunch might contain. How can we encourage people to bring a healthier lunch?

Date of next Meeting - Wednesday 8th June 12.30pm
