

School Council Meeting

Wednesday 8th June

Minutes

1. Welcome - Joshua thanked everyone for attending the meeting.
2. Interview feedback - Everyone reported that they had enjoyed being part of the interview process because the teachers thought carefully about their answers. Some of the councillors were nervous because it was their first time in an interview. Year 1 and 3 preferred Mr Donaldson, and Y6 liked the way that Miss Connolly took the time to speak to every council member and find out their names.

3. Warm weather - most class councils had discussed how to encourage people to stay safe in the hot weather. Suggestions included; signs on the gates, letters to parents, on the newsletter, making posters, video for the school TV, stamps for remembering water bottles.
4. Healthy packed lunches - most classes had discussed healthy packed lunches. We talked about what we should be encouraging everyone to bring for lunch. We also discussed the smoothie bike, and how we could encourage our parents to support healthy packed lunches.
5. Investing in Children Award - council completed the questions, 'What issues do children in your school raise? What have children been involved in? What changes has your school made?' Mrs Burnip was asked to type the application form and submit it.
6. Any Other Business - None
7. Date of Next Meeting - Wednesday 6th July
