

## School Council Meeting- Action points

In your class council please could you discuss;

### 1. Children in Need Champions of Change.

What fundraising ideas do your class have? What would you like to dress up as?

### 2. Enterprise Week.

In Enterprise week each class is going to make, plan or plant something for the Christmas Fayre. What would your class like to do? You will need to think about;

How much will it cost? What equipment you will need? How you will advertise it?

Please bring your class' ideas to the next school council.
