

NEWS LETTER Week 5: ending 6.10.17

'the pathway to success'

Harvest Festival: We will be holding our Harvest Festival Assembly on Monday 16th October. This is for children only due to restrictions of space in the hall for whole school and parents at the same time. Once again, we will be donating tinned foods, packets, boxed foods, bottles etc to the Woodhouse Close Church Foodbank. Unfortunately, we cannot distribute fresh produce (fruit and vegetables) so we would kindly ask that you don't send these into school. If you are able to donate any non-perishable foods (tins / packets/ pasta/ cereals/ jars etc), we would be very grateful. Please send in donations with the children from Monday. Thank you.

Science Show: Today, the children enjoyed an exciting Science Show throughout school. They enjoyed watching and participating in a range of exciting science activities and practical investigations and everyone had a lot of fun whilst learning at the same time!

OPAL (Outdoor Play and Learning) : We have joined a programme to improve creativity during outdoor play called OPAL. A working party are currently auditing play provision in school and we hope to be making some improvements to our play offer over the coming months: we may need your help and donations and will let you know how you can help!
