

Woodhouse Community Primary School

Parent Questionnaire Summer Term 2018

(Overall results as % of 62 respondents)

We are delighted with the results from this year's Parent Questionnaire, which shows extremely positive feedback in all areas of school life. Of course, we always strive to improve and develop WCPS and will be looking at those areas (such as pupil targets and how they are shared with parents and carers) for September: we are already working on this in preparation for the new school year.
