

Foundation Stage Unit.

Autumn Term 2 2018

Welcome back after half term. We hope that you all had a lovely break and the children are ready for their next challenging but exciting learning journey we have planned.

We already have lots of unnamed cardigans and jumpers. It is parents / carers responsibility to ensure uniform is named.

Many children enjoy coming to school on their bike; which is great. However, the same rules apply for Early Years children as it does for children in school, once on school property, bikes must be pushed to the bike park and left. Thank you.

Your child's safety is paramount!! If somebody else is picking up your child, please let a member of staff from the unit know. Staff will not authorise your child to go with an adult we do not recognise or know about.

Children are having their individual school photos on Thursday 22nd November. Individual photos will be taken during normal sessions. More information to follow.

Thank you to the Reception parents / carers that came to the phonics workshop at the end of last term. Your continued support is paramount in your child's achievement. If you have any questions at all, please do not hesitate to speak to Mrs Byrne.

Reception children are now using the field over their lunch time play. If they have wellies at home that they could bring in, that would be a great help! Please ensure they are named.

Thank you to all the parents / carers that joined us for stay and play sessions. I am sure you will agree we have very well behaved children who try so hard with all their activities and are continuously challenged by staff. We are already looking forward to the next one!

On Friday 16th November we will be celebrating Children in Need Day. If your child would like to come in either denim or spots we ask for a £1 donation.

All Nursery parents / carers should have applied for a Reception place by now, if not please speak to Mrs Byrne.

Please ensure all children come to school in appropriate footwear and with a warm coat. We are outside in all weathers and it starting to get cold and wet! :- (Thank you.
