

School Council

2019-2020

Monday 21st October

Minutes

1. **Welcome** Lexi thanked everyone for coming to the meeting.

2. **Children in Need** Cole opened the forum by sharing some of the ideas Year 6 had for Children in Need. These included games like throwing sponges at teacher. Although council were enthusiastic, they recognised that this might be better in the summer. Aidan shared some of Year 5's ideas which included a games events such as a lollipop pull game and guess the number. After more ideas were shared (name the teddy, Pudsey Bear beetle drive) council took a secret vote. Lollipop pull and Guess the Number were chosen.

3. **Halloween Disco Profits– OPAL** Council examined the books of ideas that Mrs Carney had created. They decided that rather than decide on what the money should be used for now, we would wait until we know how much money has been raised.

5. **Any other business**

Next Meeting: 10th February

Article 12

Children have the right to have their opinions taken into account.
