

### **Personal, Social and Emotional**

This half term you can support your child at home by talking to them about transition and their move up into year one. Discuss their feelings, any concerns they have and what they are looking forward to.

## **Reception Overview of Learning Summer Term 2**

### **Literacy**

This half term you can support your child by reading their home reading book daily, practicing reading and writing their RWI sounds and writing captions and sentences.

### **Mathematics**

This half term you can support your child at home by practicing number formation using number rhyme cards and verbal number problems e.g. I have one apple and then I buy 2 more how many do I have now?

### **Understanding the World**

You can support your child at home by talking through journeys. Speak about the different places that they have been is it far away? How did they get there?

### **Physical Development**

This half term you can support your child by really focusing on the correct formation of numbers and letters.

When the weather is nice, playing outside in the garden and going on lovely walks.

### **Communication and Language Development**

This half term you can support your child by reading at home. Reading a range of stories helps to develop vocabulary and imagination.

### **Expressive Arts and Design**

This half term you can support your child by encouraging their creativity at home. Allow them to explore creatively and imaginatively in a range of different ways. We would love to see pirate puppets and junk modelling pics via Dojo.
