

Personal, Social and Emotional

This half term we will be focusing on change and transition in order to get ready for moving up to year one in September. We will be doing lots of transition activities and visiting the main school regularly to help children adapt to the change.

Mathematics

This half term we will be continuing to follow the White Rose Maths scheme of work. The overall focus will be moving up (getting ready for year 1) and we will continue to explore number bonds, addition, subtraction and specific number facts.

Communication and Language Development

This half term our overarching topic will be 'Fun at the Seaside'. The children will be in a language enriched environment exposed to a range of descriptive vocabulary and encouraged to use it within their play.

Reception Overview of Learning Summer Term 2

Understanding the World

We will be taking a deeper dive into the topic of pirates. We will explore their history and through this, we will then progress to exploring maps. We will make our own treasure maps and learn all about directions and modes of transport.

We will investigate sand focusing on how sand is made? From this we will experiment with a range of different methods of making sand.

Literacy

This half term we will be continuing to follow the Read, Write Inc phonics programme. Children are in groups organised according to ability. During literacy sessions we will continue to explore writing for a range of purposes and reading key texts focusing around under the sea and Pirates.

Physical Development

This half term we will be continuing to develop core strength, gross and fine motor skills alongside perfecting pencil control, letter and number formation.

Expressive Arts and Design

This half term we will explore sand and water painting activities focusing on landscape art. We will also explore junk modelling and creating with a specific purpose.
