School dinners; Do the children like school lunches? Is there plenty of selection? What are the portion sizes like? What happens for children on packed lunches? What sort of things are in packed lunches? What could school improve?	Not much – mostly cheese dishes. What about child that is lactose intolerant? Not all taste nice – e.g. carrots. Not much selection – only 2 options and if you're last don't get choice. Limited selection every day. Portions are sometimes ok but if you don't like the choices there is only a sandwich and that isn't filling. Packed lunches – children from Y1 and Y2 sit separately. Y3,4,5,6 sit with friends. Lots of crisps, sandwiches, yoghurts and fruit. Not all have healthy foods in. Some have unhealthy snacks and huge biscuits. Some packed lunches are very small. All classes should be able to sit with their friends. Desserts – often cake already has custard poured on it and not all children like that.	Mrs Gorton to type up questions for school council to take to their classes and discuss. Mrs Gorton requested all returns as soon as possible.
AOB	Request to move football pitch away from EYFS fence as the ball goes over. Discussed how this would have a huge cost to move the goal posts.	
Date of next meeting	Tuesday 13th June – 8:15am
