

Woodhouse Community Primary School Newsletter

Friday 13th January 2023

As we finish our second week of the term, I just want to congratulate all of the children for their amazing efforts towards their learning. I have been in and around all the classes this week and it is lovely to see the children engaged and enthused in lessons, eager to participate and working hard in their books. In celebration assembly this week I have, as always been blown away by the amount of certificates children have earned this week—keep it up everyone!

On Tuesday 17th parents / carers of year 6 children are invited to an informal meeting where staff in Year 6 will discuss SATs. We will explain what we are doing in school to support SATs, how the actual week of SATs will look and the support you can give your child at home.

This is a very informal but valuable meeting. There will also be an opportunity to ask the Year 6 team any questions you may have.

Please can I ask that PRIME is not brought into school, even for packed lunches. This new craze is causing issues in school that are really not necessary. From Monday if PRIME is brought in, it will be removed until the end of the day and water will be offered to the children. Thank you for your support and cooperation.

Valentines Disco

Our School Council are busy organising a Valentines Disco. It will be held on Monday 13th Feb. Tickets will be £1.50. More information to follow very soon.
